VOL. XXXVII, NO. 1

OCALA, FLORIDA, FRIDAY, JULY 31, 1903.

HAPPENINGS ABOUT TOWN.

Jacksonville is soon to have a shoe factory.

Four hundred men are at work rebuilding the Breakers.

Mrs. Chas. Pons, of McClenny, is visiting in Ocala.

Mr. Moses Liddell has gone to Jacksonville.

Mr. E. P. Thagard, of Leroy, witnessed the ball game yesterday.

Mr. W. T. Wheeler left yesterday for Jacksonville.

Mr. John Engesser, of Gainesville, is the guest of his brother, Mr. James Engesser.

Dr. H. William Powers returned yesterday afternoon from a few days' visit to Seabreeze.

Hon. John A. Henderson, of Tallahassee, has gone to New York for the benefit of his health.

Mr. Lee Miller returned yesterday afternoon from Atlanta, where he has for the past few weeks been under Dr. Osbourne's treatment for his eyes.

Mrs. Robert Taylor is enjoying a visit from her sisters, Mrs. Hoag and Miss Gertrude and Ruth Clifford, of Eustis, who came up yesterday.

Mr. and Mrs. Maurice Strauss and Mr. P. Jumeau of this city, were registered at the Windsor Hotel, Jacksonville, yesterday and Mr. J. H. Livingston at the Duval.

Mrs. G. A. Carmichael returned yesterday afternoon from Troy, and other places in Alabama, where she has been spending several weeks.

Mr. W. B. Fuller now has charge of the Holder mine for J. Buttgenbach & Co. at Dunnellon and under his direction large quantities of rock are being mined.

Mrs. John L. Doggett, of Jacksonville, who is visiting Mrs. Clarence Camp, will be the guest of honor at a party to be given this afternoon by Mrs. O. T. Green.

Mrs. Jean K. Austin and little daughter, Jean, and her mother, Mrs. Kellogg left yesterday for the Thousand Islands, where they will spend several months.

Mr. J. F. Edwards, of the Ocala House, returned yesterday from a several week's visit to French Lick Springs, Indiana, and other places. Mrs. Edwards will return later.

Miss Pauline Sullivan went to Dunnellon yesterday to spend a while with her friend, Miss Jessie Palmer. Miss Sullivan has postponed her visit to Jacksonville for several weeks.

Among the Leesburg excursionists yesterday were Mayor L. E. Dozier, Senator Mote, Senator Butler, Messrs. Cook, Padgett and Massey Norton, a former Ocalian.

Three of our force are on the sick list. So if we do not get out a paper tomorrow as big as the New York American we hope our readers will overlook our short comings.

Mrs. J. W. Crosby, who resides on South Second street, discovered some one in her yard last night about eight o'clock and boldly fired two shots at the intruder. Mr. Crosby was telephoned for and in company with Marshall Hatson was soon on the scene. They searched the adjoining premises but the man had made good his escape.

Mr. A. J. Lovering, representing the Times-Union, was in Ocala yesterday in the interest of that excellent publication. Mr. Lovering is a hustler but says since inaugurating the young ladies, St. Louis contest no hustling is required. The paper sells itself and is rapidly finding its way into every home in Florida.

Base Ball Yesterday.

The game between the Leesburg and Ocala baseball teams yesterday afternoon on the new diamond at the driving park, as promised, was one of the most interesting games of the season.

Leesburg sent up more than a hundred visitors to encourage their team and a large number of Ocalians were on the grounds "rooting" for the home boys.

The Leesburgers were loyal to the core and it is no fault of the splendid delegation that came up from that city that their nine was not successful. The result of the game was 9 to 2 in favor of Ocala.

The following was the line-up:

LEESBURG	POSITION	OCALA
Epps	P.	Clark
Jackson	C.	Titus
Trunnell	1b.	Ford
Hoag	2b.	Vogt
Igon	3b.	Bennett
Duval	s.s.	Pelot
Alsbrook	lf.	Morris
Taylor	cf.	Peyser
Studerbury	rf.	Anderson

The Leesburg delegation returned on their special train at seven o'clock.

Excitement at Citra.

Geo. M. Spates, a one-legged white man, about sixty years old, is in the county jail in this city, awaiting a charge of attempted criminal assault.

Mrs. Grantham, an estimable widow of Citra, is his victim.

It is likely that a hearing of the case will be heard at an early day before Judge W. S. Bullock on a writ of habeas corpus.

It is feared that if Spates is taken to Citra for trial violence might result so his examination before a committing magistrate has been waived.

As is our custom we refrain from printing details in cases of this nature.

Discharged.

The case against W. R. Holiday, of Orange Springs, which grew out of the case of disturbing public worship at Mill Creek, was thrown out of court by Judge Robert Bullock, the judge holding that no charge was named in the indictment.

This matter has been the source of considerable disturbance in that section of the county and different parties have been arrested and brought to Ocala on account of it.

It is hoped that this is the closing chapter in the unfortunate affair and the breaches it has made will be healed and soon forgotten.

Our Government Building.

Mr. W. G. Windom completed his labors of inspecting the different properties offered as suitable sites for a government building and departed for Washington yesterday. He will soon make his report to the treasury department and the site will then be selected.

It is believed that the Edwards lot on Main street, known as the "Dunn Park," is the most eligible and will be favorably mentioned. It is but one block removed from the public square and is in a beautiful section of the city.

Mr. Windom is a pleasant gentleman and is a son of the late William Windom, secretary of the treasury under President Garfield.

Mr. Ben Bell Married.

Mr. Ben Bell left Jacksonville Monday for Tuscaloosa, Ala., where on Wednesday he led to the marriage altar Miss Lulu Ward, a charming young lady of that place. Mr. and Mrs. Bell are expected to return to Jacksonville today, where they will reside.

Mr. Bell formerly lived in this city but is now in Jacksonville where he is employed in the railroad service. He is an excellent young man and this paper wishes him a happy married life.

Military Enlistments.

Among the recent enlistments reported at the Adjutant General's office at Tallahassee are the following from this city: In the hospital corps, William N. Baugs, James D. Farris, Maxey Moody, James B. Carlisle, Jr., Victor L. Martinot and James B. Carlisle, Sr.

A Club is Being Organized in Ocala to Boon the Famous Editor.

The following resolution is finding many signers in Ocala:

"We, the undersigned democratic voters of Marion county Fla., looking ahead to the needs of the times, as well as for democratic success in the next national election, and recognizing the splendid qualities of and the indomitable efforts put forth in the year past for democratic victory by William Randolph Hearst, hereby form ourselves into a club for the purpose of bringing about his nomination. Judging the man by his splendid work as exemplified by his prosecution of trusts, his ever ready hand to relieve the oppressed, his constant warning to the American people through his editorials, his courage to oppose capital and combines, and his willingness to expose crime in high places, convinces us that he is the man to bear the democratic banner to victory.

"Every elector who wishes right and justice to prevail, is hereby invited to join us in securing the nomination for president of the United States of William Randolph Hearst, of New York, by joining the Wm. Randolph Hearst Club No. 1, of Marion County, Fla."

Short Horn and Hereford Cattle for Sale.

The Ocala Banner has in its job rooms a little pamphlet entitled as follows:

"Palmetto Stock Farm. Short Horn and Hereford Cattle, Ocala, Fla."

This little book tells all about the Chambliss sale of registered and high grade bulls and cows that will be sold here early in the fall.

The little pamphlet gives full descriptions.

Death at Crystal River.

News was received in this city Tuesday of the death of Dr. P. W. Fant, of Crystal River.

Dr. Fant was a native of this county and was about thirty years old. He was a practicing physician and druggist and stood high in his profession. He was a son of Mr. Valentine Fant. The remains were taken to his old home at Fautville for burial.

Goes to the Philippines.

Mr. C. A. Harris, formerly of this city, but now living in St. Louis, Mo., leaves next week for California and from there expects to sail for the Philippines in company with one of his friends, who is in the steamboat business.

Neil's many Ocala friends wish for him a safe voyage and success in the far away country where he goes to make his home.

High Living in Wewahatcha.

In the last issue of the Wewahatcha (Calhoun County) News a correspondent gives an account of the high living of the people of that section. At a recent picnic among other dishes he mentions the following:

"Rabbit-hash, polecat-mash, raccoon-mush, chicken-soup and jay-bird-gravy."

Mrs. N. I. Gottlieb and daughter, Nellie, returned Sunday from Savannah, where they had been visiting relatives about six weeks. They were accompanied home by little Rosa Karger, Mrs. Gottlieb's niece. Both of the little girls were on the sick list yesterday.

Miss Christian Cook, of Brooksville, who has been visiting her aunt, Mrs. W. A. Redding, on Second street, left Thursday night for Atlanta. From there she will go to Anderson, South Carolina, to visit relatives—Times-Union.

A handsome picture of Miss Mary Reardon, one of very prettiest and most charming young ladies of this city adorned the society column of Sunday's Jacksonville Times-Union.

Some papers are now censoring "Editor George" because his girls are all boys. Next.

ANTI-MONOPOLY DRUG STORE.

Having recently purchased the Anti-Monopoly Drug Store, I take this method of announcing to its former patrons, as well as to the public in general, that the prescription department is now better than ever prepared to handle this branch of the business with accuracy and promptness. Only the best and purest drugs will be used—no cheap substitutes permitted to enter into the make-up of prescriptions left here for compounding. The drugs used are from the well known house of Parke, Davis & Co., and others of equal reliability. We don't use "nearly the same thing" or "something just as good," but just what your prescription calls for. This last is of vital importance and is worth your while to think about.

STANDARD PATENT MEDICINES AND FULL LINE OF TOILET ARTICLES ALWAYS ON HAND.

Give me a call when in need of anything in my line. I guarantee to give you satisfaction on every article bought here. As to prices, I propose standing strictly on what the name ANTI-MONOPOLY would indicate.
